

25 May 2018

Dear Parents

We have begun our new investigation which will run for 5 weeks. The concepts that the children will be immersed in are sounds and size. This will be integrated with the theme of farm animals and the previous concepts of colour and texture will be re-visited.

We had immense fun whilst learning about farm animals on Wednesday when the Farmyard animals visited our school. The children's senses were engaged as they listened to the calls of the animals, felt their fur/feathers and smelled their scents.

UPCOMING EVENTS

TISSUES AND WIPES

Please remember tissues and wipes for term 2. These can be handed in to your teacher

SCHOOL'S BIRTHDAY

Saheti school is having a Birthday!!!

We will be celebrating on 1 June. The children will be treated to a cake.

Because birthdays are about giving, we would like the children to understand this concept and so we request **each child to bring a book from home** that they no longer read to donate to our outreach school.

Thank you

CUTTING NAILS

Toddlers still tend to scratch. Please remember to keep nails short and filed.

Have a lovely weekend...
