Dear Parents

Greetings from the Playschool.

MEASLES VACCINES

We would like to apologise to the Parents who had to wait with their Little one's for the injections. It was nice to see them return to school on Thursday morning all bright eyed, full of energy and having forgotten about the strange people giving them that "nasty" injection. I'm sure they as happy as we are that it is over.

VET PRESENTATION

This week, Dr Bernie the vet paid us a visit. She brought with her the most adorable kitten and demonstrated her examination of Hope. She used a stethoscope to listen to her heart beat, felt her tummy and with a torch looked into her ears. Dr Bernie also showed us the necessary requirements to enable us to look after our pets optimally and their dietary needs. Once she had finished her presentation we had the opportunity to touch Hope.

STAFF MATTERS

We wish Chanelle all of the very best as she embarks on her adventures abroad for long leave. She will be leaving on the 1st of June and Kiria Irini will be taking over with the care of her little ones until 22 June.

Please Remember

Moms and Dads we implore you to be vigilant of your children's well-being and should they *be off colour, coughing, vomiting, have diarrhoea, have a fever or display any visible signs of infected, runny noses* **please keep them at home**. Germs spread rapidly in winter and it is unfair to expose others to chances of becoming ill. It is also uncomfortable and miserable for your child to be at school when he/she is feeling indisposed, with lingering ailments. Children will recoup much faster by staying at home and will subsequently return to school sooner. They need time to relax and regenerate at home before returning to school.

Should we find any little one ailing we will not hesitate to contact Mom or Dad to pick up early from school.
